# INDIA'S LARGEST B2B PLATFORM FOR FINISHED FURNITURE

FIFEX, the FuMMA International Finished Furniture Expo, is India's largest B2B platform dedicated to the finished furniture industry. Organized by the Furniture Manufacturers and Merchants Welfare Association (FuMMA), FIFEX provides a unique space for manufacturers, designers, and buyers to discover, connect, and collaborate. The expo highlights the latest innovations, sustainable practices, and market trends, empowering businesses to elevate.

## About FIFEX

FuMMA - the Furniture Manufacturers and Merchants Welfare Association of Kerala, unites Kerala's furniture industry to foster growth, innovation, and sustainability. FuMMA supports its members with resources and cutting-edge tools, encouraging high-quality, eco-friendly practices. Through initiatives like FIFEX, the association builds a resilient community, dedicated to advancing the furniture industry and promoting responsible, progressive business practices for a better future.
